Family Law Technology Course: NO TECH TO HIGH TECH IN TWO DAYS

Cosponsored by the Family Law Section of the State Bar of Texas

This seminar will focus on the use of technology in law office management as well as resources for litigation and alternative dispute resolution. A faculty of both state and national speakers will address topics from iPad for family lawyers, making the transition to a paperless office, and client development to criminal issues, electronic discovery and the use of a computer forensic expert. This seminar will culminate with a live trial demonstration using the latest litigation tools and apps.
